

Name: **Ali Golchin**

Clinical biochemistry and Applied cell sciences, School of Medicine
Cellular and Molecular Medicine Research Institute (UMSU)
Urmia University of Medical Sciences (UMSU)

Iran's Tissue Engineering and Repair Society (iTERM) member

Address: Urmia University of Medical Sciences (UMSU), School of Medicine, Department of Clinical Biochemistry and Applied Cell Sciences

Place of birth: Maku - West Azerbaijan

Date of birth: July 28, 1990

E-mail: Golchin.a@umsu.ac.ir

Alternative email address: agolchin.vet10@yahoo.com

❖ **Scientists and researchers networking page:**

❖ **Education:**

- **2016-2019: PhD, Applied Cell Sciences**, School of Advanced Technologies in Medicine, Shahid Beheshti Medical University, Tehran, Iran.
- **2009-2015: DVM (Doctor of Veterinary Medicine)**, Faculty of Veterinary Medicine, University of Tabriz, Tabriz, Iran.
- **2019: Master of Business Administration in Healthcare (Healthcare MBA)**, Academic Center for Education, Culture and Research, Shahid Beheshti Medical University, Tehran, Iran
- **2020-present: Master of Medical Education**, virtual School of Medical Education and Management, Shahid Beheshti Medical University, Tehran, Iran
- **2004-2008: High School Diploma:** Shot-Maku, West Azerbaijan, Iran.

❖ **Brief CV:** I'm a faculty member and researcher specializing in cell-based therapy and regenerative medicine. My h-index is 13 and 15, respectively, based on Scopus and Google Scholar. I have 39 published peer-reviewed papers, 8 published/edited books and book chapters, more than 10 conference abstracts, and also serve as a reviewer of 10 international journals. Currently, I work in the fields of Mesenchymal stem cell-based therapeutics and skin tissue engineering applications.
